

# WELCOME TO GRAND RESERVE

## Your “*Legendary Lifestyle*” starts NOW!

---

### First things to do as a Grand Reserve resident:

- ✓ **Please call The Grandview Lodge “The Lodge” to set-up an appointment (New Resident Meeting) to complete your registration paperwork and pick-up your access keys. You will need to bring a copy of your closing statement along with a photo id to the appointment in order to complete registration. If you have both items, we should be able to get you on your way in about 20-30 minutes. To book your appointment please call 810-603-1735.**
- ✓ Participate in a New Resident Group Reception. These will held a couple of times each year. At this event, you will learn more about the Association and the Grand Reserve Lifestyle.
- ✓ Register yourself on the community website, [www.ourgrandreserve.net](http://www.ourgrandreserve.net), under “Join Form”. Once you submit this, it will come to the office for approval to confirm residency. As soon as it is approved, you will have full access to the community website and be able to add yourself to the online Resident Directory (see attached document for more detailed instructions)!
- ✓ Order a name tag to wear to the next community event & meet new friends! Name tags can be ordered at the front desk and cost \$7.

### **How do I know what is going on?**

The main method of communication that is used to convey information is the **community website**: [www.ourgrandreserve.net](http://www.ourgrandreserve.net). In addition to the website, weekly emails are sent to those registered on the site. There is also a monthly community newsletter that comes out on the 1<sup>st</sup> of every month. One newsletter is printed for each household and available at The Lodge. It is also posted on the website. Information is also posted on the community bulletin board, lobby monitor, and in the registration book at the Front Desk.

### **How will I learn how to use this website?**

We touch on this at the New Resident Meeting. You can also individually set up a time with the Lifestyle Directory to go over the website for further instruction.

### **What if I don't have a computer at home?**

No worries! We have two computers available at The Grandview Lodge for your use. We strongly encourage residents to use the computers and the website to access the most up to date information. Wi-Fi is also available at The Lodge for your convenience.

**We are thrilled to have you join our “Grand” community!**
